CLIENT SUCCESS STORIES:

FAMILY LAW

Our client was opposing a modification regarding child support. We were able to get that petition denied, and our client was extremely happy with the outcome.

“I was recommended to Nick Morcom by a lawyer friend, and the recommendation did not disappoint; working with Nick was an absolute delight! Nick always knew what needed to be done, and he was always well-prepared. He always returned my calls quickly and was able to answer all of my questions. He was very fair in his billing. His staff was extremely well-chosen, supportive, and efficient. Every time we went to court, he consistently presented an outstanding case before the judge; he won every trial. By the time people need a lawyer, many people often need a counselor as well. Nick was great at both. Thank you so much Nick for all of your hard work!”
